UNIVERSITA' DEGLI STUDI DI ROMA "LA SAPIENZA"

Facoltà di Ingegneria sede di LATINA

INTERNATIONAL SYMPOSIUM

NEW TRENDS IN MATHEMATICAL METHODS FOR ENGINEERS

FIRST CIRCULAR

Dear colleague and friend,

You are cordially invited to attend the Symposium "*New trends in Mathematical methods for Engineers*" which will be held from May 29-31, 2006, in Latina, Italy, at the Facoltà di Ingegneria of the Università degli Studi di Roma "La Sapienza".

The scientific program is currently being elaborated by the Scientific Committee.

It consists of some plenary lectures (40 minutes) and short communications (20 minutes). The second circular, to be distributed by March 15 2006 will give detailed information about it.

The cost of attendance is very reasonable, the registration fee will be euro 480,00, which includes the admission to the Symposium, a copy of the book of abstracts, lodging and meals (double room), gala dinner, reception, transfer from and to the Latina station, and participation in some social events. For companions an additional payment of 350,00 euros is needed.

To help us with the organization of the Symposium, we would appreciate if you, already at this early stage, could indicate your potential attendance in the attached preliminary

registration. If you are interested in being invited to participate or in receiving subsequent circulars, please fill out the preregistration form and send it as soon as possible to the Symposium Mailing Address.

The Symposium will be held at the building of Facoltà di Ingegneria, the building is located in downtown of the city of Latina, 70 km from Roma, the place of the Symposium accommodation is in Sabaudia the wonderful sea place near Latina. The name of the Hotel is "OASI DI KUFRA", if you want to see picture please visit the web site:

www.oasidikufra.it

Latina may be reached easily by car, bus and train from Rome (70 km).

More details about accommodation and transportation of the participants, between their Hotel and the Conference Site will be given in the next circulars.

Scientific Commettee:

Walter Gautschi (Purdue University) – David Gordeziani (Tbilisi State University) – Renzo Piva (Università La Sapienza Roma) – Paolo Emilio Ricci (Università La Sapienza Roma) – Carlo Sbordone (Università Federico II Napoli) – Gianluca Vinti (Università Perugia) – Francesco Zirilli (Università La Sapienza Roma).

Organizing Commettee:

Bruna Germano (Università La Sapienza Roma) – Carlo Belingeri (Università La Sapienza Roma) – Clemente Cesarano (Università La Sapienza Roma) – Maria Renata Martinelli (Università La Sapienza Roma).

The Organizing Committee demands to pay the euro 480,00 fee by April 15. After this time the fee will be 10 % more.

For the payment is possible to do a credit transfer to:

- International transfer: Germano Bruna Symposium Latina, IT84A056080321320339
- National transfer: ABI 05608, CAB 03213, CIN A, c/c 20339, intestato a Germano Bruna Symposium Lt,
Banca Popolare di Novara, agenzia 12, Roma.
Please bring this announcement of interested people.
Looking forward to seeing you in Latina
Cordially yours
